Potential return

When you invest in the UK Step Down Kick-out Deposit Plan, you should expect to receive repayment of your Initial Deposit on maturity, however, any potential return is not guaranteed but is dependent on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the Index closes **at or above the required Kick-out level** the Plan will end and your Initial Deposit will be repaid to you, plus an accumulated return of 5.65% for each year that has elapsed since the Deposit Start Date.

If, however, the Index closes **below the required Kick-out level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Where the Plan has not matured early and runs to the full Five year term, you may not receive any return on your Initial Deposit on the Deposit End Date.

Deposit risk

Where the Plan has not matured early and runs to the full Five year term, you should expect to receive repayment of your Initial Deposit on maturity, however, any potential return from your deposit in the Plan will depend on the Final Index Level (the Closing Level of the Index on the Deposit End Date).

There are two possible scenarios on the Deposit End Date:

- If the Final Index Level is **at or above 85%** of the Initial Index Level your Initial Deposit will be repaid to you, plus a return of 28.25%.
- If the Final Index Level is **below 85%** of the Initial Index Level, you will not receive a return from your deposit in the Plan, however, you should expect to have your Initial Deposit repaid to you.

The table below illustrates how your investment in the Plan would be affected by the performance of the Index on the Deposit End Date.

Where is the Final Index Level on the Deposit End Date in relation to the Initial Index Level?	Is the Final Index Level below 85% of the Initial Index Level?	How much of my Initial Deposit will be repaid to me?	What return will I receive from the Plan?
+15%	No	100%	28.25%
+5%	No	100%	28.25%
0%	No	100%	28.25%
-5%	No	100%	28.25%
-15%	No	100%	28.25%
-16%	Yes	100%	0%
-25%	Yes	100%	0%
-50%	Yes	100%	0%
-100%	Yes	100%	0%

Irrespective of the performance of any Index, your Initial Deposit and any potential returns from the Plan are at risk if Santander UK plc were to fail or become insolvent and your deposit exceeded the Financial Services Compensation Scheme (FSCS) Limit.

The Index

Your money is not invested directly into the FTSE 100 Index. However, as any return you may receive from the Plan is dependent on the performance of the Index, it is important to understand what it is and how it could affect your deposit.

The FTSE 100 Index is a share index which represents the performance of the UK's 100 largest companies listed on the London Stock Exchange. The Index includes many household names such as GlaxoSmithKline, HSBC and Vodafone. It is a price index which means that it is based solely on share prices and does not take into account returns from dividends.

Based on an example, if the Initial Index Level for the Index was 10000, the table below illustrates the required level of the Index on the corresponding Anniversary Dates for the Plan to produce the returns detailed on page 5.

Please note that the Initial Index Level and the Final Index Level used below are examples only. The actual Initial Index Level for the Plan will be determined on the Deposit Start Date.

Anniversary	Kick-out Requirement	FTSE 100 Index level
Year 2	100% of Initial Index Level	10000
Year 3	95% of Initial Index Level	9500
Year 4	90% of Initial Index Level	9000
Year 5 (Deposit End Date)	85% of Initial Index Level	8500

In this example, you would receive no return on your deposit if the FTSE 100 Index finishes below 8500 (85% of the Initial Index Level) on the Deposit End Date.

The Plan has the potential to receive a higher return than what you could receive in a savings account which is dependent on the performance of the Index. The Index can fall as well as rise and past performance is not a reliable indicator of future returns.

Deposit Taker risk

The UK Step Down Kick-out Deposit Plan is a structured deposit plan provided by Walker Crips Structured Investments. The Deposit Taker for this Plan is Santander UK plc.

A deposit in the Plan is an agreement with the Plan Manager, Walker Crips Structured Investments, to make a deposit in a Plan Deposit Account with Santander UK plc on your behalf, which is specifically structured to match the investment features described in this brochure.

The Plan Deposit Account will be provided by Santander UK plc. Therefore repayment of your Initial Deposit and any return from the Plan is subject to the continued solvency of Santander UK plc.

In the event of the failure or insolvency of Santander UK plc, you could lose some or all of your Initial Deposit together with any potential return, regardless of the performance of any underlying Index.

As repayment of your Initial Deposit and any potential return described in this brochure is subject to the continued solvency of Santander UK plc during the Deposit Term, it is important to consider the creditworthiness of Santander UK plc.

Credit ratings are an important means of evaluating an institution's creditworthiness. Credit ratings are assigned by independent organisations known as credit rating agencies.

Standard & Poor's is one of the three main credit rating agencies and grades institutions on a scale from AAA (highest) to D (lowest).

At the time of publication of this brochure (27 May 2026), Santander UK plc was rated 'A' by Standard & Poor's.

Institutions within the 'A' rating band are described by Standard & Poor's as having a strong capacity to meet their financial commitments, but are more susceptible to the adverse effects of changes in circumstances and economic conditions than those institutions rated 'AAA' or 'AA'.

A Standard & Poor's rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years).

The Standard & Poor's rating of Santander UK plc is currently qualified with a 'stable' outlook which means that the rating is unlikely to change in the short term.

Credit ratings can go up or down throughout the Deposit Term in response to changes in the financial position of the Deposit Taker. It is possible that the quoted credit rating or outlook may have changed since the publication of this brochure. For current information on credit ratings, including ratings provided by the other main credit rating agencies, Moody's and Fitch Ratings, please visit our website at: www.wcgplc.co.uk/StructuredInvestments/CreditRatings

For more information on credit ratings or other methods of assessing the financial strength of a counterparty, please consult your financial adviser.

Important points and risks

You should seek financial advice to ensure you understand the following risks associated with the Plan and to determine whether a deposit in the Plan is suitable for your circumstances. The risks below are a summary of the main risks.

Deposit Taker risk

- In the event that Santander UK plc fails or becomes insolvent you could lose some or all of your Initial Deposit and any returns due to you.
- If Santander UK plc were to fail, you may be eligible for compensation provided the total amount deposited across all your accounts does not exceed £120,000 (or £240,000 for joint accounts).

Market risk

- The Plan is designed to provide you with a potential return which is dependent on the performance of the FTSE 100 Index. A return on your Initial Deposit is not guaranteed. If the Final Index Level finishes below 85% of the Initial Index Level, you will not receive a return from your deposit in the Plan.
- The Plan is subject to a maximum potential return. The Plan does not invest directly in the shares of any of the FTSE 100 Index companies and you will not therefore receive dividend income from those companies.

Inflation risk

- Your deposit in the Plan is not adjusted for inflation, therefore, where inflation is high over the Deposit Term, the real value of your deposit may be reduced.

Early withdrawal and liquidity risk

- The Plan is not designed to be actively bought and sold but is intended to be held for the full Deposit Term.
- You should only invest in the Plan if you do not need access to your Initial Deposit during the Deposit Term. Early withdrawal may result in a reduction in the amount of your Initial Deposit repaid to you before the Deposit End Date.

What is the Financial Services Compensation Scheme?

The Financial Services Compensation Scheme (FSCS) is set up by the government to step in and pay compensation in the event a financial firm has failed or become insolvent. The FSCS covers firms that have been authorised by the Financial Conduct Authority or the Prudential Regulatory Authority in the UK.

The FSCS protects customers including individuals, companies and small local authorities for up to £120,000 across all deposit accounts which extends to cover structured deposits. This amount is for each customer which means two individual customers with a joint account have protection of £240,000.

More details can be found on the FSCS website at www.fscs.org.uk

How to invest

There are a number of ways you can invest in the Plan, some of the options may be more tax-efficient for you with careful planning.

Direct investment (individual or joint names)

It is Walker Crips' understanding that the returns you may receive on any direct investment in this Plan are subject to Income Tax under present legislation. This will depend on your own circumstances (for example, whether you are a resident of the United Kingdom and whether you earn sufficient income to pay Income Tax). The rate at which Income Tax is paid will also depend on your own circumstances.

Pension investment

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit an investment of this type.

2026/27 Cash ISA

You can use your Cash ISA allowance to invest from £10,000 to £20,000 for the 2026/27 tax year, provided that you have not already opened another Cash ISA for the period 6 April 2026 to 5 April 2027.

ISA transfer

You can transfer an existing Stocks & Shares ISA or Cash ISA, provided the total value of ISA transfers is at least £10,000. This will not affect your annual Cash ISA allowance. The Plan is only available for Cash ISA subscription and any Stocks & Shares ISAs transferred will lose their Stocks & Shares ISA status and will form part of your accumulated Cash ISA. There is no maximum limit for ISA transfers.

Other arrangements

The Plan is also eligible for most trust, corporate and charity investment. Before you invest, you should ensure that the terms or deeds under which the trust, company or charity was established allow investments of this type.

All information on taxation in this brochure is based on Walker Crips' understanding of UK tax legislation at the time of writing. Tax rules are subject to change and the value of tax reliefs will depend on your individual circumstances. Please note that Walker Crips does not provide tax advice and you should consult your financial adviser or tax adviser for further details of your individual tax position.

For your own benefit and protection you should read the brochure and all of the Terms and Conditions of the UK Step Down Kick-out Deposit Plan before completing the Application Form. If you do not understand any point, please ask your financial adviser for further information.

Frequently asked questions

The Plan is also available for UK trustees (including trustees of pension schemes), UK corporates and UK charities, where the entity permits investments of this type.

What is the Key Information Document (KID)?

The KID is a regulatory document prepared by the Issuer which is designed to assist investors in making informed investment decisions by providing accessible key information for comparable investment products. How will I be kept informed of the progress of my deposit?

When your application and payment is accepted, we will write to you with details of your Plan. We will send you quarterly statements until the end of the Deposit Term so that you can keep track of your deposit. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880.

Can I change my mind?

Yes. When your application and payment is accepted, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before the Deposit Start Date then you will receive your Initial Deposit back in full. If we receive

your cancellation notice after the Deposit Start Date, then we will sell your holding and return the proceeds to you. In this situation you may get back less than you invested.

Can I withdraw my money after the cancellation period?

If your circumstances change and you need access to your money prior to the end of the Deposit Term, you can withdraw all or part of your deposit early (subject to a minimum of £500).. However, you should be aware that the ability to withdraw early may result in a reduction in the amount of your Initial Deposit repaid to you. This is because, in order to offer this Plan on its specific terms, the Deposit Taker intends to hold the Plan for its proposed lifetime (see 'Early withdrawal and liquidity risk' on page 9).

If you need to withdraw all or part of your Plan before the end of the Deposit Term (and after the 14 day cancellation period has elapsed), we must receive your clear instruction in writing. We are unable to accept an instruction to withdraw less than £500 from the Plan. An administrative charge of £25 will be deducted for each early withdrawal instruction processed.

In order to withdraw all or part of your deposit, we will need to unwind your original deposit (or a proportion thereof) which is administered by us on your behalf. The amount you will receive back will be determined by the Deposit Taker. During the Deposit Term the value of your deposit may go up or down. Different factors, such as a fall in the level of the Index, or a rise in interest rates, can have a significant negative impact on the value during the life of the Plan.

Frequently asked questions (continued)

If you hold your deposit within an ISA account, and you withdraw from the Plan, please note that the proceeds will lose their ISA status if you instruct us to transfer the funds to your bank account. Alternatively, you can withdraw from the Plan and transfer the proceeds to another ISA manager, in which case, the tax benefits of the ISA will be retained.

Should you wish to transfer your ISA, you will need to contact your new ISA manager to arrange the transfer. Please note, we will deduct an administrative charge of £25 to sell your holding in the Plan and transfer your ISA, and you may also incur a charge from the new ISA manager.

What happens at the end of my deposit?

After the Deposit End Date (or the relevant Anniversary date if the Plan matures early), we will write to you outlining your options. Your maturity proceeds will be applied to your Walker Crips Account within 10 business days of the Deposit End Date, or relevant Anniversary Date, subject to timely receipt of the funds from the Deposit Taker. Provided you have completed and returned the appropriate documentation, we will then proceed with your maturity instruction.

What happens if I die?

If you die during the Deposit Term, the Plan can be closed or transferred to another person. Your personal representatives should inform Walker Crips, and the Plan will be dealt with in accordance with their instructions. We will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. Please note that early withdrawal from the Plan may result in a reduction in the amount of the Initial Deposit repaid.

What fees are payable?

Your financial adviser will provide you with information about any fees that they charge. Adviser Charges can be settled directly with your financial adviser or, upon your written instruction within the Application Form, we can facilitate payment to your adviser by deducting the Adviser Charge from the funds you send to us and paying this amount to your financial adviser on your behalf.

Are Walker Crips charging me for this deposit?

Our costs and charges for managing, marketing and administering the Plan have been factored into the structure of the Plan and the returns the Plan is designed to pay. These charges equate to 1.05% of your Initial Deposit. No charges are deducted from your Initial Deposit or from any potential returns you may receive from the Plan, instead they are paid to us by Santander UK plc.

There will be no charges to withdraw cash balances by standard electronic transfer (BACS). However, there will be instances where we need to cover our administration costs. The table below details a summary of our current charges.

Instance	Charge
If you wish to withdraw your deposit in the Plan prior to maturity (subject to a minimum of £500).	£25.00
If you wish to sell your ISA holding and transfer the proceeds to another ISA manager prior to maturity (subject to a minimum of £500).	£25.00
If you require any proceeds to be forwarded by same day transfer. (CHAPS)	£15.00

If the bank holding your money becomes insolvent, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS).

During the Deposit Term, your money is held on deposit by Santander UK plc.

If Santander UK plc becomes insolvent you will be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS) provided your aggregated holdings do not exceed £120,000 in total (or £240,000 for joint accounts) across all the accounts you hold with Santander UK plc.

c) Transfers from other ISA managers will be arranged upon your written instruction. Once funds are transferred, your ISA will be managed in accordance with Appendix 7 Annex 4: Terms and Conditions for ISA Accounts of the WCIM Terms of Service and Business as the case may be.

d) You must be and remain the beneficial owner of your ISA account. All deposits will be registered in the name of the ISA Manager's Nominee. The ISA Manager may disclose account information to HMRC or relevant regulatory bodies and will notify you if your ISA becomes or may become void under the ISA Regulations. e) You must inform us promptly of any change in your address, residency, or UK tax status that may affect your eligibility to subscribe to an ISA. If you cease to be a UK resident or cease to qualify as a Crown servant (or their spouse), you must notify us immediately.

f) You may withdraw all or part of your ISA, or transfer to another ISA manager. Withdrawals will only be paid to you and not to third parties. The ISA Manager will not charge for cash withdrawals.

g) If your ISA fails to meet regulatory requirements, it may be declared void and lose tax benefits. The ISA Manager is not liable for failures outside its control, including those due to incorrect information or actions from you or your adviser.

h) You may terminate your ISA at any time by requesting a transfer or withdrawal of assets. Upon death, tax exemptions continue until the earlier of (i) closure, (ii) estate administration completion, or (iii) three years. No further subscriptions can be made after death.

4. Cancellation

a) The Plan Manager will give you the right to cancel your Plan within 14 days of its acceptance of your Application Form and payment. You will be informed of your right to cancel in documents that the Plan Manager sends you upon acceptance of your subscription to invest. Alternatively, you can call us on 020 3100 8880, email us at wcsi@wcgplc.co.uk or write to Walker Crips Structured Investments, 128 Queen Victoria Street, London, EC4V 4BJ, United Kingdom. If you do so, please provide your name and address and the account number with clear instructions to cancel your investment.

b) If the Plan Manager receives your cancellation notice after the Deposit Start Date, the amount of your Initial Deposit repaid to you will be adjusted to reflect the market value (i.e. of the Plan, if applicable). You may not get back the amount originally invested in the Plan.

c) Where you do not exercise your cancellation rights, or you do not exercise them within the period allowed for, the Plan will continue in line with the Terms and Conditions.

5. Client categorisation

a) We will classify you as a retail client as defined in the FCA Handbook, unless we confirm otherwise to you in writing.

b) As an FCA regulated firm, the Plan Manager is bound by the FCA's Principles for Business and notably Principle 12, the Consumer Duty, which obliges the Plan Manager to act to deliver good outcomes for retail customers. The Plan Manager will act in accordance with the Consumer Duty in its dealings with you.

6. Charges

a) The Plan Manager's charges for servicing the Plan are set out on p13 and are paid by the Deposit Taker to the Plan Manager on the Deposit Start Date. These charges equate to a percentage of your Initial Deposit but they do not reduce the amount of your Initial Deposit invested in the Plan. Any returns you receive from the plan are calculated on your Initial Deposit and are paid to you once the Plan has matured. The Plan Manager will not deduct any fees from your deposit during the Deposit Term or on the Deposit End Date.

b) If you exercise your cancellation rights, you will not incur any charges. Where you exercise your cancellation rights after the Deposit Start Date, you will not incur any charges but the amount of your Initial Deposit repaid to you will be adjusted to reflect the current value of the Plan as determined by the Deposit Taker.

c) If you withdraw your deposit from the Plan after the cancellation period but before the Plan matures, a charge of £25 will be deducted from the proceeds of the sale of your deposit in the Plan, which is representative of the costs that the Plan Manager will incur in your early withdrawal.

d) It is possible that you may be liable to pay additional taxes or costs that are not paid, nor imposed, by us, such as any additional fees charged by your financial adviser, platform or other custodian.

e) Where we receive your written request for us to facilitate payment of your Adviser Charge to your financial adviser, you acknowledge and agree that it is a facilitation service only; the Plan Manager has no influence over, nor any responsibility for, the advice provided, or any ongoing obligation with regards to future charges payable to your financial adviser. You acknowledge that any rebate of your adviser charge for whatsoever reason is a matter between you and your adviser directly and will not involve the Plan Manager, nor will the Plan Manager facilitate such rebate.

f) The Adviser Charge will be deducted from the funds you send to us on application to invest in the Plan. The balance will be your Initial Deposit.

7. Liability

a) The Plan Manager will maintain insurance cover to cover you for, amongst other things, misuse of funds or securities by any employee of the Plan Manager.

b) The Plan Manager may employ agents (or appoint delegates) in connection with the services it is to provide and will satisfy itself that any person to whom it delegates any of its functions or responsibilities is competent to carry out those functions or responsibilities.

c) Your entitlement under the Plan is dependent on the exact terms of the Plan. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Plan, including (without limitation) in circumstances where the Deposit Taker is in default. No provision in these Terms and Conditions will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FCA Rules.

d) The Plan Manager will exercise due care and diligence in managing

your Plan. However, the Plan Manager will not be liable to you:

- i) if the Deposit Taker fails or becomes insolvent;
 - ii) for any default by any depository with whom your investment is deposited, other than the Nominee;
 - iii) for any adjustments or terminations provided for in the Plan;
 - iv) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
 - v) for the acts or omissions of any professional adviser who arranged your investment in the Plan.
- e) You agree that:
- i) You are not relying on any communication by the Deposit Taker as investment, legal, regulatory, accounting or tax advice or as a recommendation to make such investment; and
 - ii) The Deposit Taker does not accept any responsibility to you for the appropriateness of the Plan or for the performance of the Plan and does not give any assurance as to the expected return of the Plan and has not approved nor endorsed the Plan.

8. Information Disclosure

- a) The Plan Manager is responsible for compliance with the UK anti-money laundering regulations and the Rules. You may be asked for proof of identity and address, source of funds, and evidence of banking details when investing or on early withdrawal or maturity. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.
- b) You shall provide to the Plan Manager such certificates and other information as the Plan Manager may require to enable the Plan Manager or Walker Crips to comply with its obligations under such current or future automatic exchange of tax information regimes and other tax disclosure requirements to which the Plan Manager or Walker Crips may be subject from time to time. You consent to the Plan Manager providing such certificates and other information to the Deposit Taker on their request to allow them to comply with such regimes and requirements. You further consent to the Plan Manager and the Deposit Taker retaining the certificates and other information and disclosing such certificates and information to any tax authority to the extent required by those regimes and requirements.
- c) You must tell the Plan Manager in writing as soon as possible if you change your personal details, notably if you change your name, address or country of residence.

9. Client money

- a) This clause 9 applies to money held on your behalf before your investment is made or after proceeds are returned following the maturity of your Plan from the Deposit Taker. Money held by the Custodian for your account, will be held in compliance with the FCA Client Asset Rules. This means, amongst other things, that the Custodian will hold your money in a designated client bank account which is an account kept separate from the Custodian's own funds.
- b) When considering where that client bank account should be, the Custodian will exercise due skill, care and diligence and will periodically review the adequacy and appropriateness of any bank or credit institution where your money is deposited and of the arrangements for holding your money (such as which banks or credit institutions are used, the amount of client money deposited with the bank or credit institution and any use of fixed term deposits for client money). These requirements will not apply where your money is held with a central bank of a country. It is important to note that the Custodian is not responsible for any acts, omissions or default of a credit institution or bank chosen by it but only for taking care in its choice and monitoring.
- c) The Custodian exercises due skill, care and diligence when selecting and reviewing any bank or credit institution used to hold your money. However, it is not responsible for any losses arising from the insolvency or default of such institutions, except where it has failed to take reasonable care in its selection and monitoring.
- d) When the Custodian holds your money in a client account it may

be pooled with money belonging to other clients of the Custodian. Where funds are pooled in this way, you will not have a claim for the specific sum in a specific account. Your claim would be against the client money pool in general and if there is a deficiency in the pool you would share pro rata in that loss. Such a deficiency is likely to arise if a relevant bank or credit institution with which client money is deposited by the Custodian becomes insolvent or otherwise defaults on its obligations to pay out money when due.

e) If the Custodian holds money which is not immediately required to settle an investment transaction, such money will be deposited with a bank or credit institution, together with other clients' money. Money may earn interest at a rate determined by the relevant bank or credit institution. Any interest will be calculated on a daily basis and credited to your account every six months. We may decide not to credit your account if the amount of the interest falls below a threshold notified to you by us. Where we notify you of an interest rate lower than zero this denotes that a charge in the form of debit interest may be charged for that balance as notified to you by us. For current interest rates, please visit our website on "www.wcgplc.co.uk/StructuredInvestments/StructuredInvestmentsInvestors

f) Where the Plan Manager or Custodian are unable to contact you (for example if you move and fail to update your address with us) so that we are unable to deliver money held on your account to you, or you fail to respond to our communications requesting any instructions concerning such money, with the result that any of your money held by the Custodian is unclaimed, the Custodian may transfer such money to a pooled client unclaimed money account subject always to the Custodian undertaking to make good any valid claim by you. The money held in the client unclaimed money account will be held by the Custodian in compliance with the FCA Rules.

g) Money held by the Custodian in pooled client money accounts as set out in this clause 9, may (in part) be deposited (where permitted under FCA Rules) into a fixed term deposit. Money held in fixed term deposits cannot be withdrawn until the fixed term expires. This means that the part of the client money pool (as described in d) above) which is held in fixed term deposits would not be available for immediate withdrawal by you and the return of such client money would be delayed until the fixed term expires. In addition, the Custodian would not be able to move client money held in a fixed term deposit until the expiry of such fixed term and therefore would not be able to mitigate the risk of any default or insolvency of the relevant bank or credit institution and the possible creation of a deficiency in the client money pool (resulting in a loss as described in d) above) which may arise during such fixed term. By accepting these Terms and Conditions you acknowledge you are aware of and accept the risks set out in this clause 9.

10. Deposit in the Plan

- a) This clause 10 describes how your deposit in the Plan will be held.
- b) Your Initial Deposit will be deposited on your behalf in the relevant Plan Deposit Account on the Deposit Start Date. Your money will be held by the Deposit Taker in the Plan Deposit Account until the Deposit End Date, unless you cancel your investment in the Plan or withdraw all of your investment before the Deposit End Date in accordance with these Terms and Conditions.
- c) Your plan will mature on (on any of the Anniversary Dates or on) the Deposit End Date. The Plan Manager will contact you after maturity to inform you of any action required by you. The Plan Manager may, at its discretion, pay maturity proceeds to you by transferring the funds into the bank or building society account from where the Initial Deposit originated. In this event, you will be informed in writing by the Plan Manager.
- d) Investments held in the name of the Nominee will not be lent to any third party and money will not be borrowed on your behalf against the security of your investment. Your deposit in the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in your deposit in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment.
- e) Your deposit in the Plan will be recorded and separately identified by the Plan Manager. However, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event

of insolvency or default, any shortfall in the Plan may be shared pro rata among all investors in the Plan.

11. Information to clients

a) The Plan Manager will supply you with a statement of the Plan on a quarterly basis. You can contact the Plan Manager by telephone, email or letter if you require any further information in relation to the Plan.

12. Account closure / termination

a) The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if, in its opinion, it is impossible to administer the Plan or that Account in accordance with the Rules or Regulations or if you are in breach of the Rules or Regulations.

b) The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.

c) The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due to it and you fail to remedy this non-payment within 7 days of the Plan Manager reminding you that a payment is due.

d) You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you would like the proceeds from the disposal of your deposit to be paid directly to you or to be transferred to another Plan Manager. Upon acceptance of your clear instruction we will sell your holding. There is a restricted secondary market (i.e. limited ability to find another person to purchase the rights in your Plan) and you may get back less than you invested in the Plan. An early withdrawal fee of £25 will be charged, which is representative of the costs that the Plan Manager will incur in your early withdrawal.

e) Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will account to you for the proceeds of sale of your deposit in the Plan, save that it will be entitled to retain any funds required to satisfy any outstanding amounts due to it by you.

13. Taxation

a) You have sole responsibility for the management of your tax and legal affairs, including all applicable tax filings and payments and for complying with all applicable laws and regulations. We have not and will not provide you with tax or legal advice and we recommend that you obtain your own independent tax and legal advice tailored to your individual circumstances.

b) We do not guarantee the continuing tax effectiveness of any product, investment, mechanism or wrapper, and you accept that governmental regulation and attitudes to taxation can change and that this may affect investment outcomes.

c) Fees and charges may be subject to VAT in accordance with prevailing legislation and may be applied without notice.

14. Death

On your death, your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your deposit in the Plan until instructions are received from your personal representatives. Your personal representatives can sell your deposit in the Plan or transfer it to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees.

15. Market disruption, extraordinary event, adjustment event

a) If a market disruption event, extraordinary event or any adjustment event occurs, the Calculation Agent may make necessary adjustments to the terms of the Plan in their sole and absolute discretion, acting in good faith and in a commercially reasonable manner.

b) Such events include, but are not limited to, the early closure or

unannounced closure of a relevant exchange, disruption or disruption of trading of a relevant exchange, and suspension or limitation of trading of a relevant exchange.

c) Examples of adjustments that may need to be made include, but are not limited to, postponing taking the level of the Index on the date which such event occurs, using an alternative method of calculating or estimating the value of the Index or selecting an appropriate substitute index. In the case of early and unscheduled termination it is possible that you will receive back less than you invested in the Plan.

16. Conflicts of interest

We take all appropriate steps to identify conflicts between Walker Crips and our clients, and between one client and another. We maintain and operate effective organisational and administrative arrangements designed to prevent and manage conflicts of interest that pose a material risk of damage to client interests, including a comprehensive Conflicts of Interest Policy which defines the steps that we take to identify, prevent, manage, mitigate and/or disclose conflicts of interest when providing various investment and other services. We will disclose any conflicts that cannot be managed effectively and will maintain records of our services and activities in which conflicts have arisen or may arise. Where we determine that we are unable to manage a conflict of interest to protect a client's interest, we may decline to act on behalf of a client. Please see our privacy notice available for more information about how we process your personal data which can be found here: wcgplc.co.uk/source/documents/wcim-privacy-statement.pdf.

18. Compensation arrangements

If you make a valid claim against the Plan Manager or your financial adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme (FSCS). Most types of investment business are covered and the maximum compensation is £85,000. Further information and eligibility criteria is available at www.fscs.org.uk. If the performance of the Plan does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the FSCS.

In the event that the Deposit Taker becomes insolvent and cannot fulfil their obligations to you in the return of your Plan, you may be entitled to compensation under the FSCS. The maximum compensation limit for cash accounts is currently £120,000 per person. The maximum compensation level is set per financial institution so any accounts or plans which you hold with the Deposit Taker will be taken into account when considering the maximum compensation level.
